

PROFILE

I am an architecture professional striving towards licensure, who firmly believes in the transformative power of architecture and design to ignite vibrant dialogues within our communities and built environments. I take pride in my meticulous approach to documentation and design, finding immense satisfaction in tailoring each detail in order to inspire, engage, and support my clients. My dedication to expanding horizons drives me to approach research with an open mind, drawing inspiration from diverse cultures and motifs worldwide, to ensure a comprehensive and authentic design approach. As a committed team player, I prioritize cultivating an atmosphere of honesty and effective communication within my team. With aspirations for leadership, I am motivated to serve as a dependable mentor and positive influence amongst my colleagues.
